WEB SITE ADVERTISING

1. Tile Advert: plus free Advanced Listing in business directory

The tile will be displayed on the left hand side **on each page**. This advert will give your business prime exposure to browsing consumers. There are limited numbers tile adverts available. If you register a Tile advert, your business will receive an Advanced Listing in the business directory at no charge.

LIMITED NUMBER

Tile Adverts (120 x 60 pixels) All content pages linked to website.

2. Display Advert:

A display advert will be seen on the bottom of **a** selected content page. One advertisement per content page. This is the largest and most effective way to expose your business on this site. If you register a Display Advert, your business will receive a Graphic Listing in the business directory at no charge.

Display Adverts (540 x 100 pixels) Selected content pages linked to website.

3. Tab Link: This will be shown on your nominated page, which gives the browser a direct link to their nominated site.
